TODAY

Salem Communications makes its initial public offering on NASDAQ: SALM

Salem Web Network (SWN) launches with a single website and now is home to some of the most well-known brands in the Christian and conservative marketplace
In this directory you will find the voices and personalities who comprise the heart of Salem Media Group. They are making an outstanding contribution to the resolution of cultural and policy challenges facing the communities we serve. It is through their efforts that we are able to meet the needs and interests of our growing audiences.

Each day Salem serves a loyal and dedicated audience of listeners and readers numbering in the millions nationally. With our unique focus, Salem provides compelling content, fresh commentary and relevant information from some of the most respected figures across the Christian and conservative media landscape.

Salem is the largest commercial U.S. radio broadcasting company providing Christian and conservative programming. Salem owns and/or operates over 115 radio stations, with over 70 stations in the top 25 media markets.

Through our rapidly-growing network of Christian and conservative opinion websites—driving over 200 million monthly page views—Salem is a leader in the dynamic new media environment.

Through our National Programming department and our Christian Teaching & Talk formatted radio stations and OnePlace.com, Salem has partnered with the nation’s leading Christian communicators to bring a message of hope to millions each and every day.

Included in this guide you will also find Regnery Publishing—the nation’s leading publisher of conservative books.

Salem’s multitude of news and public affairs outlets include: seven nationally syndicated talk shows, 40-plus local and regional talk shows, SRN News, Townhall.com, HotAir.com and our daily Townhall.com Commentary—featuring the voices of our Editorial Board.

It is our objective to continue to expand and improve our national network of radio stations, websites and publishing enterprises in order to deliver compelling on-air, online and print material to the audiences interested in our distinctive and strategic content.

Ideas have consequences—and many of the ideas and values promoted through today’s popular media have contributed to destructive outcomes. Ideas we see advanced through government have consequences as well. Even well-intended government efforts can, all too often, have a negative impact. We are convinced that the voices and personalities in these pages are part of the solution. And we are equally convinced that an engaged audience is an informed audience, capable of bringing positive change to our nation and world.

THE HUGH HEWITT SHOW
“The Hugh Hewitt Show” features breaking news with knowledge and boundless energy. Hugh’s star rose to new heights when he was selected by CNN as a panelist on a series of presidential debates. He appears regularly on CNN, Fox, MSNBC and NBC’s “Meet the Press.” Hugh is a forerunner in the dynamic new media environment, cementing his credentials as one of America’s leading spokesmen for the center-right.

THE MIKE GALLAGHER SHOW
“The Mike Gallagher Show” is a unique blend of timely political commentary, compelling talk and hard-hitting discussions. Mike connects with his audience in a personal way through programming targeted at the issues men and women across America really care about. A combination of solid conservative values and a fast-paced, fun delivery has made “The Mike Gallagher Show” the 6th most listened-to talk show on the radio today.

THE DENNIS PRAGER SHOW
“The Dennis Prager Show” zeroes in on everything from breaking news and international relations to family issues and religion. One of America’s most respected talk hosts, Dennis prefers clarity over agreement. After 20 years on Los Angeles radio, he launched nationally with SRN and quickly generated a growing audience. Dennis is also the founder and president of the online Prager University—PragerU.com.

SALEM Radio Network
“America First” with Dr. Sebastian Gorka tears off America’s politically correct blindfold and clarifies who our foes are and how to defeat them. Dr. Gorka is the author of the national best-seller “Defeating Jihad” and “Why We Fight ... Defeating America’s Enemies with No Apologies.” He has served with the Trump administration as Deputy Assistant to the President for Strategy and as National Security Strategist for the Fox News Channel.

“The Larry Elder Show” has a take no-prisoners style, using such old-fashioned things as evidence and logic. Larry shines the bright light of reasoned analysis on many of the myths and hypocrisies in our system of government, our society and the media itself. Larry’s limited government views have fueled controversy and made him one of the country’s most in-demand radio personalities and cable news pundits.

“The Eric Metaxas Show” offers compelling perspectives on American culture, political life and stories making news around the corner and across the globe. As a well-known commentator and author, Eric mobilizes men and women to live more meaningful, spiritual lives. Inspiring, compassionate and interactive, “The Eric Metaxas Show” seeks answers to life’s toughest questions together with listeners.

“The Joe Walsh Show” serves as a platform to help grow a freedom movement that is gaining momentum across the country. Joe speaks plainly and directly without concern for political correctness, but also respectfully engages with listeners from all viewpoints. As a former U.S. Congressman from Illinois, he knows fake news when he hears it and isn’t afraid to hold officials accountable.

I was very much abused and neglected growing up. I was taken out of school in third grade, which led me to be completely illiterate, without friends and with a lot of built-up anger. I fell away from the church and I didn’t want anything to do with God. I became a Buddhist. A year after I was married, my whole world shattered. I had something happen that was extremely traumatic and I decided to kill myself. But God said, “I’m not done with you.” I dropped to the ground and I sobbed and begged for forgiveness. My radio station on my iHeart radio kept changing to AM 570 The Mission. I have not stopped listening to AM 570 for about two years. Because of that, God has called me to ministry. I’m immensely grateful that I can give my life not just to Jesus Christ, but also to serve others through my struggles.

I am a Gold Star mom. On Memorial Day, I was listening to 710 KNUS as I always do. I was listening to “The Steffan Tubbs Show” and he was talking about the Honor Bell. I emailed his show and told him about my son Duncan. He proceeded to ring the bell for Duncan on his show and talk about him. I just wanted to say how much I appreciate the values of your station and how much they reflect the values of our country, and especially of those of us who have sacrificed so much in support of our country.

Hello my brother, Pastor Bulla. You prayed for me in Stafford Prison and I want to thank you because there’s this power in me that gets me going and going. It’s the Holy Spirit, my brother. I never felt anything like this fire in me. I am out now and back in Mexico telling everyone about Jesus my Savior.

—KAIM LISTENER IN HONOLULU

A couple days before Christmas, I received a $500 Visa gift card through the “Care and Share” promotion. It was such an amazing and unexpected surprise! Taking care of our three young boys while my husband is deployed has been lonely and challenging. Your generosity truly made our Christmas bright.

—WDTK LISTENER IN DETROIT

Our family came back to the U.S. from the mission field so that our 13-year-old could get his heart valve changed out. Six days later, we were back in the ER and they were putting a drain tube in his head—a tumor at the base of his skull was blocking spinal fluid from exiting his brain. The cancer journey took 10 months for treatment, back and forth to the hospital. I was so grateful to the FISH family for being a part of God speaking into my life. It gave me the courage and truth I needed to keep going.

—WFSH LISTENER IN ATLANTA
This is a wonderful place where you will find godly teaching and uncompromised, biblically sound doctrine regarding our daily Christian walk. Programs that address finances, marriage, family, career, ministry ... whatever you need, it is here. I have been listening for about 10 years, but I wish I had been listening a lot sooner!"
