Salem Podcast Network and Breitbart News Network Announce the Launch of “The Alex Marlow Show”

CAMARILLO, Calif.--(BUSINESS WIRE)-- Salem Media Group, Inc. (OTCQX: SALM) and the Breitbart News Network announced today the launch of “The Alex Marlow Show – A Breitbart News Podcast” beginning November 6, 2024, on the Salem Podcast Network.

The podcast will be hosted by Alex Marlow, the editor-in-chief of Breitbart News Network, where he started as Andrew Breitbart’s first employee at the age of 21. Marlow is the author of two New York Times best-selling books, *Breaking the News* and *Breaking Biden*. He has been on the cover of *Time* and *Newsweek*, named in *Forbes*’s 30 Under 30, and called “perhaps the most significant media figure in America.”

This new podcast is a joint production of the Salem Podcast Network and the Breitbart News Network. New episodes will be released each weekday beginning November 6.

“I am truly excited to return to broadcasting with the power of Breitbart News Network and Salem behind me,” said Marlow. “I couldn’t dream of a better partnership. Breitbart News is singular when it comes to providing in-depth fact-based reporting that is the backbone of any quality talk show, and I have long admired Salem’s stable of hosts, many of whom I already call close personal friends, including Larry Elder, Dennis Prager, Dr. Gorka, Charlie Kirk, and Dinesh D’Souza, and now I can call them my colleagues. Thank you to Phil Boyce and the Salem team for their enthusiasm and support.”

“We are thrilled to add this partnership with Breitbart. We feel like we are fighting the good fight together, and Alex is a fabulous addition to this team,” said Salem Senior VP of Spoken Word Phil Boyce. “I can’t wait to hear Alex and his take on the day’s news and events. Welcome aboard!”

“Salem is a great partner and platform for Alex to deliver his and Breitbart’s reporting, insight, and essential analysis of the world of politics and culture,” said CEO of Breitbart News, Larry Solov.

The Salem Podcast Network launched in January 2021 and is ranked as the 11th most listened to podcast network on the Triton Digital platform, with 17 million average downloads per month.
