Salem Media Group and D'Souza Media Announce New Documentary: The Dragon's Prophecy

CAMARILLO, Calif.--(BUSINESS WIRE)-- Salem Media Group, Inc. (OTCQX: SALM) and D'Souza Media today released the official trailer for *The Dragon's Prophecy*, available now at TheDragonsProphecyFilm.com.

Directed by acclaimed filmmaker Dinesh D'Souza and based on the international bestseller by Jonathan Cahn, this bold new investigative documentary opens in select theaters October 6 and 8 and will stream on SalemNOW beginning October 9, 2025.

A Global Conflict Through the Lens of Prophecy

The Dragon's Prophecy explores the October 7 terror attacks in the Middle East and their connection to ancient battles between the Israelites and the Philistines as recounted in the Bible. Featuring exclusive interviews with major world leaders and Christian voices—including Israeli Prime Minister Benjamin Netanyahu, Mike Huckabee, Erick Stakelbeck, and Eric Metaxas—the film examines the intersection of faith, history, and current events.

Combining never-before-seen footage from October 7, archaeological discoveries affirming biblical accounts, and urgent commentary on radical Islam, anti-Semitism and global instability, the film raises timely questions about whether we are witnessing the fulfillment of end-times prophecy.

Voices Behind the Film

Director and executive producer Dinesh D'Souza stated, "We went into a war zone to capture this story, because the conflict over Israel is part of a far bigger story foretold in Scripture. *The Dragon's Prophecy* transcends the current political debate. It is ultimately about the destiny of nations and a battle for the soul of humanity."

"This film doesn't just interpret prophecy—it confronts it," added author Jonathan Cahn. "The stakes are too high for silence. This is a message for the times we are living in."

Dave Santrella, CEO of Salem Media Group, said: "Salem is proud to bring this important and timely project to audiences everywhere. This is a film that connects faith with world events in a way that both challenges and inspires."

Release Information

The Dragon's Prophecy will be available to stream October 9, 2025, on SalemNOW. DVD pre-orders and streaming access are available at TheDragonsProphecyFilm.com.
